

Paquita

Summer Workshop

The classical ballet 'Paquita' will set the stage for the Southern California Dance Academy's summer workshop for intermediate to advanced dance students. The workshop serves those serious dance students who wish to participate in a summer workshop, but are not yet ready to leave home to participate in a summer intensive. 'Paquita' is a famous ballet choreographed by Marius Petipa on music by Ludwig Minkus. As with most great classical ballets, 'Paquita' contains many solo variations and groups dances that are showcased in summer intensives and competitions. This summer workshop will hold an opportunity for dedicated dance students to learn several of these variations by familiarizing themselves with one of ballet's great classics. The workshop culminates in a final performance that will demonstrate the students' technical progress and artistic advancement.

Additional Dance Camp info: Students bring their own snack and lunch. A refrigerator and microwave are available for student use.

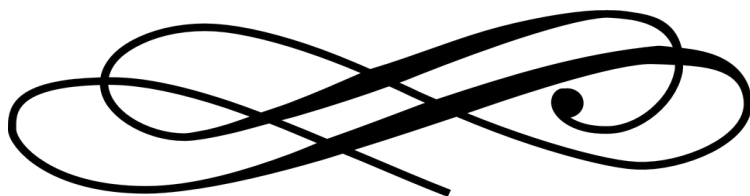

Days and Times: The workshop is held from July 16 through July 27, 2018. Classes will be held Monday through Friday from 9AM to 2PM. A final performance is held on Saturday, July 28 @ 7:30PM at the Downey Theatre.

Registration and Fees: Registration continues until the workshop is full. Fee for the program is \$300.00, which includes all classes and costumes except standard dance attire. SCDA students may receive a discount on the workshop when attending regular classes. Please e-mail us for these rates.
