

Our Dance Academy

The Southern California Dance Academy, founded in 1993, is the official school of the Southern California Dance Theatre. Our school specializes in teaching quality ballet technique to dancers ages 3 to adult. We view dancers as unique individuals and tailor dance instruction to each dancer accordingly. We encourage new dancers to give our year-round or summer program a try by stopping in for a free class.

How to Register for the Intensive?

Dancers may register online by visiting our website at www.scdt.com or by requesting and mailing in a registration form directly to our school.

Don Quixote

SOUTHERN CALIFORNIA DANCE ACADEMY
Summer Intensive 2020

Don Quixote Summer Intensive

Our Program

The classical ballet Don Quixote sets the stage for the Southern California Dance Academy's three-week summer workshop for intermediate to advanced dance students. The workshop serves those serious dance students who wish to participate in a summer workshop, but are not yet ready to leave home to participate in a nationally-recognized summer intensive.

Don Quixote is a famous ballet choreographed by Marius Petipa on music by Ludwig Minkus. As with most great classical ballets, Don Quixote contains many solo variations, pas de deux and groups dances that are showcased in summer intensives and competitions. This summer workshop will hold an opportunity for dedicated dance students to learn several of these variations by familiarizing themselves with one of ballet's great classics. The workshop culminates in a final performance at the Downey Theatre that will demonstrate the students' technical progress and artistic advancement.

Dates and Tuition

The three-week summer intensive runs from July 6, 2020 through July 26, 2020. Classes are held Monday through Friday from 9am until 2pm.

Tuition for the entire workshop is \$475.00 and includes the use of the costume for the final performance. Dancers may opt to participate in part of the workshop at a rate of \$185.00 per week. Dancers who participate in only part of the workshop may not be able to perform at the Festival. A deposit of \$150.00 will hold a spot until May 15, 2020. Tuition submitted in full by March 1, 2020 receives a \$25.00 discount. We regret that no refunds or credits can be given once enrolled.

Overview of the Intensive

Daily Ballet Classes

Daily ballet classes properly prepare the dancers for the remainder of the day while improving on their technique.

Classes are divided by technique level so that all dancers can receive the maximum benefit of the class.

Choreography and Pas de Deux

All dancers participate in variation, choreography or pas de deux classes. During these classes, all dancers have the opportunity to learn several works. During the course of the workshop, dancers will be assigned roles to be performed at the SoCal Dance & Choreography Festival.

Performance

The summer intensive culminates in a showcase that is performed as part of SoCal Dance & Choreography Festival at the Downey Theatre on Saturday, July 26, 2020. Costumes for the performance are provided at no charge to the summer intensive dancers.
