

The Southern California Dance Academy presents

Keep Dancing Together!

A Virtual Dance Camp Experience

Since 1993, the Southern California Dance Academy has been the pioneer of summer dance camps for younger children in the Long Beach area. Although initially, our current pandemic seemed to have put a damper on the camp fun, the Southern California Dance Academy knows how to keep our dancers creative and engaged by offering a virtual version of our 27-year tradition! Wondering how this will work? Well, read on!

We offer Three Themed Dance Camps

- Week One – June 15-18 - **Totally '80s Dance Camp**
Dance and choreograph your own totally cool dance to your favorite '80s song
- Week Two – June 22-25 - **Musical Theatre Sing-and-Dance-Along**
A popular hit musical will set the stage for this week's theme!
- Week Three – June 29-July 2 - **Monsters Inc. and Superheroes**
Our own version of loveable Monsters and Superheroes!

Camp days and Times

Monday through Thursday from 9am through 12:30pm via zoom. The shorter day ensures that kids are not stuck behind the computer all day, but gives parents an opportunity to get work done! To provide the upmost security, families will receive a link the day prior to the following camp day. We encourage parents to allow the dancers to have fun and engage in the camp by themselves. Please make all supplies needed for the day available for your dancer – of course, parents are welcome to monitor any activity and communicate any questions or concerns.

Camp Schedule

In line with our past relaxed camps, the camp schedule will follow along this format:

- 9:00am: Start of camp – stretching and warm-up with our theme songs
- 9:45am: Shifting gears – take a bathroom break/eat a snack/ gather costumes
- 10:00am: Learn a dance routine – each day, dancers will learn a routine, review past day's routines and showcase their own choreography
- 11:00am: Shifting gears – take a bathroom break/eat a snack/gather arts & crafts supplies
- 11:15am: Arts & Crafts

Each Thursday, the dance campers prepare for a virtual performance to be presented at 12:30pm via a separate zoom link. Parents are encouraged to share the link with friends and family who wish to join. A list of guests' names must be provided the day prior to the show to ensure the campers safety.

Dance Camp Tuition and Deposit

Fee includes dance classes, costume use, and most arts & crafts materials. Arts & Crafts materials will be newly purchased; costumes will be thoroughly laundered and dried before being dropped off to local campers. Parents can also arrange for a pick-up of supplies from the studio or request a supply list to purchase their own.

We recommend an early enrollment by submitting a deposit so that materials can be purchased. The deposit will be applied towards the tuition. Last minute campers are welcome if supplies are available; however, supplies would need to be picked up from the studio. All campers should wear dance attire or comfy clothes.

Fee for all three workshops	\$400.00
Fee for two weeks	\$275.00
Fee for one week.....	\$150.00
Non-refundable deposit.....	\$50.00

You may submit your form and payment at the following three options:

1. scdt04@aol.com – Zelle: Paula Vreulink – 562-397-2137
2. www.scdt.com
3. mail to: Southern California Dance Academy, 4410 Greenmeadow Road, Long Beach, CA 90808
