

ALICE IN WONDERLAND

Spring Break Dance Workshop

The Southern California Dance Academy offers an exciting new Spring Break Dance Workshop for beginner to advanced dancers ages 7-15 based on the classical ballet of Alice in Wonderland with musical excerpts of the original score of Tchaikovsky. The workshop offers a taste of a future SCDT ballet with variations, duets, and group dances for dancers of most ages and technique levels. During the course, two groups of dancers participate in a daily warm-up, the learning and rehearsing of (student) choreography, and set building. The groups are based on technique level. There will be a finale performance at the end of the workshop.
