Spring into Fun!

A Spring Break Dance Camp of Musical Theatre, Dance, and Fun!

The Southern California Dance Academy has been the pioneer of spring and summer dance camps for younger children in the local area. Since 1993, SCDA has offered fun-filled dance camps where dancers as young as 4 years old can learn different dance styles, create sets and scenery, and dress up in costumes for a fun-filled camp that culminates in a show for friends and family. While the camp may look a little different this year, the fun and creativity will be the same as before. Our little artists and teachers had a whole year to accumulate wonderful ideas and we can't wait to express them in dance and arts & crafts!
